What is Job Links?

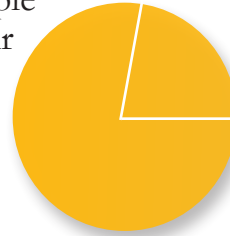

JOB LINKS is a team of Employment Consultants who are experienced in supporting people in pursuit of obtaining and retaining employment. Job Links is nationally accredited through the Joint Commission and is a valuable program of Adult & Child Center. We have been serving many community employers and employees since 1995 and are primarily funded through Vocational Rehabilitation Services, Social Security, as well as private contracts with employers.

How can Job Links support you?

- Reduce the hire time by providing pre-screened, qualified applicants.
- Provide on-the-job training for new employees.
- Provide convenience and ease in recruitment of job candidates.
- Assist in increasing employee retention.
- Provide on-site diversity training and education for all your employees.
- Supply detailed information about Work Opportunity Tax Credits

70% of our people get the job of their choice.

53% keep that job one year or longer.

"I liked the fact that the Employment Consultant came around daily, or was available when needed to assist the employee. I was happy with the way the Employment Consultant interacted with the employee (stepping in when needed or allowing the employee to try on their own). I liked the way he kept us informed on how best to work with the employee."
